**ARTICLE TWO**  
**ASSOCIATION: MEETINGS, QUORUM, VOTING, PROXIES**

2.1 **Place of Meetings.** Meetings of the Association shall be held at the principal office of the Association or to such other convenient location as may be designated by the Board.

2.2 **Annual Meetings.** The annual meeting of the Members shall be held in the month of September. At such meeting, the Directors shall be elected by the Members as provided in Article Three. The Members may transact other business at such meetings as may properly come before them, provided that written notice is given to all Members at least ten (10) days in advance of the meeting.

**2.3 Special Meetings.** Special meetings of the Association may be called by the President, by resolution of a majority of the Board or upon a petition signed by at least twenty percent (20%) of the total votes of the Association. The notice of any special meeting shall state the date, time, and place of such meeting and the purpose thereof. No business shall be transacted at a special meeting except as stated in the notice.

**2.4 Notice of Meetings.** The Secretary or other officer specified in the By-Laws shall mail or cause to be delivered to each Member, at his Unit address, a notice of each annual or special meeting of the Association stating the purpose and the time and place where it is to be held. The mailing or delivering of a notice of meeting in the manner provided in this Section shall be considered service of notice. Notices shall be served not less than fourteen (14) nor more than thirty (30) days before a meeting.

**2.5 Waiver of Notice.** Waiver of notice of a meeting of the Members shall be deemed the equivalent of proper notice. Any Member may waive notice in writing, either before or after the meeting. Attendance at a meeting by a Member shall be deemed waiver by such member of notice of the time, date, and place thereof, unless such Member specifically objects to lack of proper notice at the time the meeting is called to order. Attendance at a special meeting also shall be deemed waiver of notice of all business transacted at such meeting unless an objection on the basis of lack of proper notice is raised before the business is put to a vote.

**2.6 Adjournment of Meetings.** If any meeting of the Association cannot be held because a quorum is not present, the Board shall reschedule the meeting. At the rescheduled meeting, the quorum requirement shall be one-half (½) of the requirement provided in Section 2.9 of these By-Laws, and any business which might have been transacted at the meeting originally called may be transacted.

**2.7 Voting.** The voting rights of the Members shall be as set forth in the Declaration and as follows:

(a) Multiple Owners of a Unit shall collectively be entitled to one vote.

(b) If only one of several Owners of a Unit is present at a meeting of the Association, that Owner is entitled to cast the vote allocated to that Unit. If more than one of the Owners are present, the vote allocated to that Unit may be cast only in accordance with the agreement of a majority in interest of the multiple Owners. There is a majority agreement if any one of the Owners casts the vote allocated to the Unit without protest being made promptly to the person presiding over the meeting by any of the other Owners of the Unit. In the event of such protest, the vote allocated to that Unit shall not be counted.

(c) If an Owner is a corporation, any designated officer of such corporation may cast the vote allocated to such Unit. If an Owner is a partnership, a designated partner of such partnership may cast the vote allocated to such Unit. The person presiding over the meeting may require reasonable evidence that the person who is voting on behalf of a corporation or partnership is qualified to so vote.

(d) Votes may be cast pursuant to a written proxy specifying the Unit for which it is given, duly executed by the Owner of said Unit, and filed with the Secretary of the Association prior to the meeting for which it is to be effective. The proxy holder shall be another Owner or the managing agent. Unless otherwise specifically provided in the proxy, a proxy shall be presumed to cover all votes which the member giving such proxy is entitled to cast, and in the event of any conflict between two or more proxies purporting to cover the same voting rights, the later dated proxy shall prevail, or if dated as of the same date, both shall be deemed invalid. A "directed proxy" may be used, containing instructions which shall bind the holder as to the casting of the vote. A proxy is void if it is not dated or purports to be revocable without notice. Every proxy shall be revocable and shall automatically cease upon (i) conveyance of any Unit for which it was given, (ii) receipt by the Secretary of a written notice of revocation of the proxy or of the death or judicially declared incompetence of a member who is a natural person, or (iii) eleven (11) months from the date of the proxy, unless a shorter period is specified in the proxy.

(e) No vote allocated to a Unit owned by the Association may be cast.

(f) Only the Unit of a Member in Good Standing is eligible for voting purposes; other Units shall not be counted in determining whether a quorum is present at any meeting.

**2.8 Majority.** As used in these By-Laws, the term "Majority" shall mean those votes, Members, or other group as the context may indicate totaling more than fifty percent (50%) of the total eligible number.

**2.9 Quorum.** The presence at the beginning of any duly called meeting, in person or by proxy, of twenty percent (20%) of all the Members in the Association shall constitute a quorum at all meetings of the Association. Any provision in the Declaration concerning quorums is specifically incorporated herein.

**2.10 Action by Association.** The Association may take action by the affirmative vote of a majority of the Members present at a meeting (in person or by proxy) at which a quorum is present, unless a different percentage is expressly provided by the Act or Documents for specific actions.

**3.3 Nomination of Directors.** Except with respect to Directors appointed by the Declarant, a Nominating Committee, consisting of Owners other than the Declarant, shall be appointed by the Board to solicit nominations for election to the Board from the Members. The Nominating Committee shall be appointed at least sixty (60) days before the election meeting, and may make as many nominations for election to the Board as it shall determine in its discretion. Nominations may also be made from the floor at the election.

**3.4 Election of Directors.** The Directors shall be appointed or elected as provided in Section 6.5 of the Declaration:

**3.5 Term of Office of Directors.** Directors elected by the Members after the Period of Declarant Control shall each have three (3) year terms, which shall be staggered so that the terms of approximately one-third of the Directors shall expire each year, and shall hold office until their respective successors have been elected.

**3.6 Removal of Directors.** At any regular or special meeting of the Association duly called, at which a quorum is present, any one or more of the Directors elected by the Members may be removed, with or without cause, by a two-thirds (2/3) vote of the Members present and entitled to vote at such meeting, and a successor may then and there be elected to fill the vacancy thus created. Any Director who has three (3) unexcused absences from Board meetings within one (1) year or who is delinquent in the payment of an assessment installment for more than thirty (30) days may be removed by a majority vote of the Board at a meeting at which a quorum is present, and the Board may appoint a successor to fill the vacancy until the next annual meeting, at which time the Members shall elect a successor to serve the remainder of the term.

**3.7 Vacancies.** In the event of the death, disability, or resignation of a Director, the Board may declare a vacancy and appoint a successor to fill the vacancy until the next annual meeting, at which time the Members shall elect a successor for the remainder of the term.

**3.9 Regular Meetings.** Regular monthly meetings of the Board may be held at such time and place as shall be determined from time to time by a majority of the Directors, but such meetings shall be held at least quarterly. Directors may participate in a meeting of the Board by means of conference telephone, email or similar communications equipment, by means of which all persons participating in the meeting can hear or otherwise communicate with each other, and participation pursuant to this Section shall constitute presence in person at such meeting.

**3.10 Special Meetings.** Special meetings of the Board shall be held when called by notice by the President or by a majority of the Board specifying the time and place of the meeting and the nature of any special business to be considered.

**3.11 Notice; Waiver of Notice.** Notices of Board meetings shall be given to each Director by personal delivery, mail, or by such other means reasonably expected to communicate such notice promptly, shall specify the time and place of the meeting and, in the case of a special meeting, the nature of any special business to be conducted. The transactions of any meeting of the Board shall be as valid as though taken at a meeting duly held after regular call and notice if (a) a quorum is present, and (b) either before or after the meeting each of the Directors not present signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes.

**3.12 Quorum of Board.** A majority of the Directors, present at the beginning of any Board meeting, shall constitute a quorum for the transaction of business, and the votes of a majority of the Directors present at a meeting at which a quorum is present shall constitute the decision of the Board.

**3.13. Conduct of Meetings.** The President shall preside over all meetings of the Board, and the Secretary shall keep a minute book of Board meetings, recording all Board resolutions and transactions and proceedings occurring at such meetings.

**3.14 Compensation.** No Director shall receive any compensation for acting as such. A Director shall be entitled to reimbursement for actual and reasonable expenses incurred on behalf of the Association upon Board approval. Nothing herein shall prohibit the Association from compensating a Director, or any entity with which a Director is affiliated, for services or supplies furnished to the Association in a capacity other than as a Director pursuant to a contract or agreement with the Association, provided that such Director's interest was made known to the Board prior to entering into such contract and that such contract was approved by the Board, excluding the participation and vote of the interested Director.

**3.15 Open Meetings; Executive Session.** Except as provided herein, all meetings of the Board shall be open to all Members. Except in an emergency, notice of Board meetings shall be posted at least forty-eight (48) hours in advance of the meeting at a conspicuous place within the Condominium. The Board may designate portions of the meetings for the purpose of participation by the Members. Notwithstanding the foregoing, the President may adjourn any meeting of the Board

and reconvene in executive session, and may exclude persons other than the Directors, to discuss matters of a sensitive nature, such as pending or threatened litigation and personnel matters.

**3.16 Executive Committee.** The Board may, by resolution, designate an Executive Committee, consisting of the officers specified in Section 5.1 of these By-Laws, to act in the event of an emergency occurring between regular Board meetings. Except as may be limited by such resolution, the Executive Committee shall have and exercise the authority of the Board in the event of an emergency.

**3.17 Consent to Corporate Action.** If the Directors individually or collectively consent in writing to any action taken or to be taken by the Board, and the number of the Directors constitutes a quorum for such action, such action shall be valid as though it had been authorized at a meeting of the Board. The Secretary shall file such consents with the minutes of the official Board meetings.

**3.18 Conflict of Interest.** Any Director who has a financial interest or other conflict of interest in connection with any transaction or business of the Board shall fully disclose same before the Board votes on such matter, and said Director shall refrain from discussion and abstain from voting. The remaining Directors may appoint a disinterested Owner to the Board for the limited purpose of voting upon such matter(s).

(n) To assist in the resolution of disputes between and among members without litigation, as set forth in the Declaration.

The alleged violator shall be afforded a reasonable opportunity to be heard. Such standards shall meet or exceed the standards set by the Declarant and the Board during the Period of Declarant Control. Operational standards may evolve as the needs and demands of the Condominium and the Association change over time.

**ARTICLE FIVE**  
**OFFICERS**

**5.1 Designation.** The officers of the Association shall be a President, Secretary, and Treasurer, all of whom shall be elected by the Board. **5.2 Election, Term of Office and Vacancies.** The officers of the Association shall be elected annually by the Board at the first meeting of the Board following each annual election.

**6.1 Property Insurance.**

(a) **Property insurance covering.** The Units, Limited Common Elements and Common Elements of the Condominium (excluding land and excavations).

(b) **Amounts.** The Condominium shall be insured for an amount not less than eighty percent (80%) of the full insurable replacement cost. Personal property owned by the Association shall be insured for an amount equal to its replacement cost.

(1) The Board is authorized to obtain appraisals periodically for the purpose of establishing said replacement cost of the project facilities and the replacement cost of the personal property, and the cost of such appraisals shall be a Common Expense.

(2) The deductible shall be in such amount as the Board may deem reasonable under the circumstances, and in the event of a claim, may be allocated to Unit(s) benefiting therefrom in such manner as the Board may determine pursuant to its rulemaking authority.

(c) **Risks Insured Against.** The insurance shall afford protection against perils, as broadly as reasonably available, including earthquake, under coverage currently known as "special form" or "special causes of loss."

(d) **Other Provisions.** Insurance policies required by this Section shall provide that:

(1) The insurer waives the right to subrogation under the policy against an Owner or member of the household of all Owner (excepting tenants not related to the Owner);

(2) An act or omission by an Owner, unless acting within the scope of the Owner's authority on behalf of the Association, will not void the policy or be a condition to recovery under the policy.

(3) If, at the time of a loss under the policy, there is other insurance in the name of an Owner covering the same risk covered by the policy, the Association's policy provides primary insurance.

(4) Any loss covered by the property policy shall be adjusted with the Association, but the insurance proceeds shall be paid to any insurance trustee designated in the policy for that purpose, and in the absence of such designation to the Association, and not to any mortgagee or beneficiary under a deed of trust. The insurance proceeds shall be held in trust for each Owner and lienholders as their interests may appear, and applied pursuant to Section 448.3-113.5 of the Act.

(5) The insurer may not cancel or refuse to renew the policy until thirty (30) days after notice of the proposed cancellation or non-renewal has been mailed to the Association.

(6) The name of the insured shall be the Association.

**6.2 Liability Insurance.** Liability insurance shall be provided in an amount determined by the Board but in no event less than \$1,000,000.00, covering all occurrences commonly insured against for death, bodily injury, property damage and personal injury arising out of or in connection with the use, ownership or maintenance of the Common Elements, and the activities of the Association.

**Other provisions.** Insurance policies carried pursuant to this Section shall provide that:

(a) Each Owner is an additional insured under the policy with respect to liability arising out of the interest of the Owner in the Common Elements or membership in the Association.

(b) The insurer waives the right to subrogation under the policy against an Owner or member of the household of an Owner (excepting tenants not related to the Owner).

(c) An act or omission by an Owner, unless acting within the scope of the Owner's authority on behalf of the Association, will not void the policy or be a condition to recovery under the policy.

(d) If, at the time of a loss under the policy, there is other insurance in the name of an Owner covering the same risk covered by the policy, the Association's policy provides primary insurance.

(e) The insurer issuing the policy may not cancel or refuse to renew it until thirty (30) days after notice of the proposed cancellation or non-renewal has been mailed to the Association.

**6.3 Fidelity Insurance.** A blanket fidelity bond or insurance is required for anyone who either handles or is responsible for funds held or administered by the Association, whether or not he receives compensation for his services. The bond or insurance shall name the Association as obligee and it shall cover the maximum funds that will be in the custody of the Association or the manager at any time while the bond or insurance is in force in the sum of three (3) months' assessments plus reserve funds. The cost of premiums for such blanket bond or insurance shall be paid out of

Association funds as a Common Expense and shall not be borne by the individual members of the Board.

**6.4 Owner Policies.** Each Owner shall obtain property and liability insurance for his or her own benefit. Property insurance shall include the additional cost of any improvements added by current or prior Owners, and all personal property owned by Owners and their families. The Board may adopt such Rules as it deems reasonable to foster appropriate property insurance coverage, including by way of example, coverages under Owners' personal policies to coordinate with the Association's policy, such as allocation of deductibles, and procedures for property insurance claims. The Board may require that evidence of current insurance be furnished by each Owner to the Board and that all leases require insurance satisfying this Section 6.4 and that evidence of current insurance be furnished to the Board.

**6.5 Workers' Compensation Insurance.** The Board shall obtain and maintain Workers' Compensation Insurance if employees are hired or if contractors are hired who do not maintain their own policy.

**6.6 Directors' and Officers' Liability Insurance.** The Board shall obtain and maintain directors' and officers' liability insurance covering all of the Directors and Officers of the Association in such limits as the Board may, from time to time, determine.

**6.7 Automobile Liability Insurance.** The Board may obtain and maintain insurance coverage for employer's non-owned automobile liability.

**6.8 Other Insurance.** The Association may carry other insurance which the Board considers appropriate to protect the Association or the Owners' interests in the Condominium.

**6.9 Reconstruction.** Any portion of the Condominium for which insurance is required under Section 448.3-113 of the Act which is damaged or destroyed shall be repaired or replaced promptly by the Association unless (a) the Condominium is terminated, (b) repair or replacement would be illegal under any state or local health or safety statute or ordinance, or (c) eighty percent (80%) of the Owners, including every Owner of a Unit or assigned LCE which will not be rebuilt, vote not to rebuild. The cost of repair or replacement in excess of insurance proceeds and reserves is a Common Expense. If the entire Condominium is not repaired or replaced, (i) the insurance proceeds attributable to the damaged Common Elements shall be used to restore the damaged area to a condition compatible with the remainder of the Condominium, (ii) the insurance proceeds attributable to Units and LCEs which are not rebuilt shall be distributed to the owners of those units and the owners of the units to which those LCEs were allocated, and (iii) the remainder of the proceeds shall be distributed to all the Owners or lienholders, as their interests may appear, in proportion to the Common Element interests of all Units. If the Owners vote not to rebuild any Unit, that Unit's Allocated Interests are automatically reallocated upon the vote as if the Unit had been condemned under subsection 1 of Section 448.1-107 of the Act, and the Association shall promptly prepare, execute, and record an amendment to the Declaration reflecting the reallocations.

Notwithstanding the provisions of this Section 6.9, Section 448.2-118 of the Act governs the distribution of insurance proceeds if the Condominium is terminated.

**6.10 Plans.** The Property must be repaired and restored in accordance with either the original plans and specifications or other plans and specifications which have been approved by the Board and a majority of all the Owners. Any Owner, at his sole expense, may make any alterations or improvements to his Unit as permitted in accordance with Section 448.2-111 of the Act and Article VIII of the Declaration.

**6.11 Insurance Proceeds.** The insurance trustee, or if there is no insurance trustee, then the Board, shall hold any insurance proceeds in trust for the Association, Owners and lien holders as their interests may appear. The proceeds shall be disbursed first for the repair or restoration of the damaged portions of the Condominium. The Association, Owners and lien holders are not entitled to receive payment of any portion of the proceeds unless there is a surplus of proceeds after the Condominium has been completely repaired or restored, or the Condominium is terminated.

**6.12 Termination.** Notwithstanding anything to the contrary in Section 6.12, in the event of termination of the Condominium in connection with a decision not to rebuild, the insurance proceeds may first be applied to removal of all debris, and the balance of the proceeds shall be governed by Section 448.2-118 of the Act.

**6.13 Certificates by the Executive Board.** The insurance trustee, if any, may rely on the following certifications in writing made by the Board:

(a) Whether or not damaged or destroyed portions of the Condominium are to be repaired or restored;

(b) The amount or amounts to be paid for repairs or restoration and the names and addresses of the parties to whom such amounts are to be paid.

**6.14 Certificates by Attorneys.** Title insurance companies or if payments are to be made to Owners or mortgagees, the Board, and the insurance trustee, if any, shall obtain and may rely on a title insurance company or attorney's title certificate of title or a title insurance policy based on a search of the Records of the St. Charles County from the date of recording of the original Declaration stating the names of the Owners and the mortgagees.
